Muhamad Aditya Yulianto, S.E., M.M.

LECTURER AND BUSINESS PRACTITIONER

Profile

As both a lecturer and an active business practitioner, my work centers on digital business and education. Having founded and managed multiple personal business ventures, I am equally passionate about channeling that real-world experience back into the classroom, dedicated to inspiring others as a professional educator.

Work Experiences

(2020) Event Coordinator

Detail-oriented Event Coordinator with experience in organizing corporate and social events.

(2020–now) Creative Junior Studio

Managing Creative Junior Studio, which focuses on website, application, bot, and software development
